Subject: FW: Use of Taylor City Hall for elections

Frank, here is some additional information I got when I spoke to them here at City Hall yesterday:

- They also mentioned to me that they would require a separate phone/data line installed to the foyer so they could access their system at the courthouse in Georgetown. They would pay for that installation but would need to have a place where they would also have the appropriate power connections.
- *They would be here through the weekends, including Sundays.

Subject: Use of Taylor City Hall for elections

Thank you for meeting with me and Deb Stacy yesterday. As we mentioned, the voting numbers have really outgrown the County Annex space and we would like to ask if the Council will approve the use of the City Hall, the corridor outside the library, for the use of early voting for future elections. We would like to make that a permanent move if possible.

2006 Primary Early Voting Dates are:
Tuesday Feb 21st - March 3rd

2006 Runoff Early Voting Dates are:
Monday April 3rd - April 7th

Thanks again for discussing this with us and we hope for a positive council approval as soon as possible.

Please let me know if you need additional information.

Sincerely,

Cliff Borofsky
Elections Administrator
Williamson County
