2705 W. Lake Drive
Taylor, TX 76574

Dear Steve:

Thank you for the opportunity to tour the new facility last week. Council members and staff were very impressed with the way the expansion fits so well with the existing structure. Landscaping, interior and exterior design elements, and the overall layout have made this latest project an attractive addition to our community.

We appreciate you being here and hope you will allow us to continue to assist you as you and your staff become a valuable and integral part of our community.

Sincerely,

A handwritten signature in cursive script that reads "Frank Salvato".
