June 22, 2004

Dear Frank,

Please accept this letter as my formal notice of resignation from the City of Taylor effective October 1, 2004.

It has been a very rewarding experience working with you, and library and city staff members. After 27 year with the library, I feel this is an appropriate time for me to retire. With a new library building underway, a new director will also bring new ideas.

I truly appreciate the confidence and support that you, the council members, library board members, Library Foundation members, and the library staff have shown me during this time.

Sincerely,

A handwritten signature in cursive script that reads "Norma Patschke".

Norma Patschke  
Library Director  
Taylor Public Library
