28	5 - Housing	Objective H1: Stabilize neighborhoods with sound, but aging housing through requiring and assisting in the rehabilitation of substandard housing and the demolition of dilapidated housing throughout Taylor.	Action H1.1: Work with Williamson County in the development of their 5-Year HUD Consolidated Plan for use of CDBG funds. This will help ensure that the City will get its fair share of CDBG funds for housing rehabilitation and infrastructure repairs.				
29	5 - Housing	Objective H1: Stabilize neighborhoods with sound, but aging housing through requiring and assisting in the rehabilitation of substandard housing and the demolition of dilapidated housing throughout Taylor.	Action H1.2: Invest in road repairs in the declining residential areas, particularly Subareas C, D and G. The poor street conditions lead to lowered property values, poor navigation, poor drainage and general decay of the neighborhoods.				
30	5 - Housing	Objective H1: Stabilize neighborhoods with sound, but aging housing through requiring and assisting in the rehabilitation of substandard housing and the demolition of dilapidated housing throughout Taylor.	Action H1.3: Work to assist non-profits in acquiring a state CHDO (Community Housing Development Organization) status and apply for state HOME funds for new low-income housing and housing rehabilitation.

39	5 - Housing	Objective H5: Encourage the development of new larger homes and high-end retirement developments in Taylor and its ETJ.	Action H5.2: Provide appropriate land use designations, zoning if applicable, and development guidelines for new subdivisions of larger homes for professionals commuting to surrounding employment centers. (Currently, the entire Austin MSA is overbuilt with single-family houses, however the lower cost of land and assistance in lowering fees and development costs can mean attractive developments in the Taylor area).				
40	6-Transportation	Objective T1: Ensure the road system in the City provides appropriate access for residents while discouraging commercial traffic in neighborhoods.	Action T1.1: Use the Thoroughfare Plan to determine where arterial and collector streets are needed in new residential and commercial developments.				
41	6-Transportation	Objective T1: Ensure the road system in the City provides appropriate access for residents while discouraging commercial traffic in neighborhoods.	Action T1.2: Work with the City of Taylor and develop a program that allocates city funds to repair and/or replace streets that will benefit the community as a whole.				
42	6-Transportation	Objective T1: Ensure the road system in the City provides appropriate access for residents while discouraging commercial traffic in neighborhoods.	Action T1.3: Improve roadways to attain a LOS "D". Types of improvements will be determined following traffic analysis.
