RE: Outdoor Parks Grant Application  
East Williamson County Property

Dear Bob:

Williamson County is pleased to be part of the development of the proposed East Williamson County Park project.

To assist with the project, the Williamson County Commissioners Court will consider an "in kind" match of equipment and labor for to blade and level parking lot.

Good luck with the City's application for grant funds to develop a tremendous asset for Taylor.

Sincerely,

A handwritten signature in cursive script that reads "Frankie Limmer".

Frankie Limmer  
County Commissioner Pct #4
